<sup>1</sup> For internal projects that highly depend on the Core Facility Immune Response & Biomarkers, a technician can be hired in the framework of those projects.

<sup>2</sup> Costs correspond to the number of samples indicated. For higher numbers of samples, costs are subject to offers and negotiation. Please contact us and ask for a quotation.

<sup>3</sup> For multiplex assays.

<sup>4</sup> Some examples listed but more biomarkers are possible. Please contact us and ask for availability and quotations.

<sup>5</sup> Costs of immunoassays are indicative of SARS-CoV-2, final fees involving custom antigens depend on analytes selected and supplier prices. Customized antibody assays can be prepared according to specific requests and costs. Please contact us and ask for a quotation.
